Any topics we'd like to nominate for inclusion in the June Water DD meeting? If so, need to send by this Friday since most of us will be out next week. Thanks

To All:

I am still working to find a venue for the June 8-9th WDD meeting in Washington D.C. As soon as I have the location nailed down I will let you know. In the meantime, I am pulling together a draft list of topics to be discussed at the meeting. Joel would like for a portion of the meeting to be spent discussing the Agency transition, however, that still leaves time for a few other issues.

Please submit by next Monday, March 28th, your top two issues that you think should be included on the agenda. I have provided a table below to help with details. Once I have the suggestions from the Regions, OW Offices and the State Associations, I will give them to Joel for his final selection.

Feel free to contact me if you have questions.
